2 Discussed points

2.1 Presentation Thomas

No negative feedback from the lecturers.

2.2 Requirements document

- Initial work being done in Google drive document.
- Requirements will be categorized and assigned and ID and afterwards moved to Overleaf
- User target group and problem description: not more than a page.
- User target group: hitchhiker's and their profile.
- Prioritizations: involve entire group.
- Hard deadline is Monday after Carnaval, sooner is better to get feedback from Jimmy.

2.3 Tablet

- Responsible for tablet is Guus.
- Tablet has to be returned 3rd of April.

3 For next time

Next meeting on: Thursday Feb 23, 12:00

Chair: Ziad
