Meeting March 16, 2015, 12:00
2IS70, group 3
</div>

1 Agenda

Chair: Nick
Secretary: Ziad

1. Opening

2. Additions to agenda

3. Announcements/remarks

4. Feedback design document

5. Implementation

6. Work division

7. Final remarks

8. Closing

2 Discussed points

2.1 Announcements/remarks

Feedback on requirements given by Jimmy about the requirement document is the same as the feedback by Ruurd Kuiper in his e-mail. Check the mail if interested. No feedback on design document yet.

2.2 Implementation

Have an empty database backed up (also for testing purposes).

Google API was giving authentication errors.

Facebook sdk is in place. Login is achieved through an open access.

Majority of the activity's is in place. Nagivation through a couple is also in place.

2.3 Work division

Unchanged, see trello. If something is completed on trello move it to the done tab. If everyone has seen it remove it from there also.

3 For next time

Next meeting on: Thursday March 19, 14:00
Chair: Ziad
Secretary: Tasos

4 Final remarks

Put minutes in OASE.
